[linkedin.com/in/harshsavani](https://www.linkedin.com/in/harshsavani)

Dedicated UI/UX Developer with three months of internship experience, seeking a challenging role to leverage skills in wireframing, prototyping, visual design, HTML, CSS, and JavaScript. Passionate about crafting user-friendly digital products that enhance user experiences. Eager to contribute to a dynamic team and grow professionally.

WORK EXPERIENCE

GRAPHIGLOW

Junior UI UX DESIGNER

February 2024 - May 2024

- In my three-month UI/UX Designer internship at GraphiGlow, I collaborated with teams, conducted research, redesigned interfaces (20% engagement increase), and improved onboarding (15% drop-off decrease). I also managed design systems. This experience sharpened my user-centered design and teamwork skills.
